

# Klean kanteen

**H<sub>2</sub>O Bottles Available!**

Klean kanteen was developed in California as a healthier, and more environmentally-friendly alternative to plastic H<sub>2</sub>O bottles. They are made of food grade 18/8 stainless steel and come in a variety of sizes and Colours. They are light-weight and great for toting to the office, sports events or games, and daily activities.

12 oz    18 oz    27 oz    40 oz
